IMPORTANT INFORMATION

SECTION 316.613, Florida Statutes, requires every operator of a motor vehicle transporting a child in a passenger car, van, autocycle or pickup truck registered in this state and operated on the highways of this state, shall, if the child is 5 years of age or younger, provide the protection of the child by properly using a crash-tested, federally approved child restraint device. For children aged through 3 years, such restraint device must be a separate carrier or a vehicle manufacturer's integrated child seat. For children aged 4 through 5 years, a separate carrier, an integrated child seat, or a child booster seat may be used. For limited exceptions, see s. 316.613, F.S.

S. 320.0605, F. S., requires the registration certificate, or true copy of a rental or lease agreement, issued for any motor vehicle to be in the possession of the operator or carried in the vehicle while the vehicle is being used or operated on the roads of this state.

S. 320.02 and 627.733, F. S., requires personal injury protection and property damage liability to be continuously maintained throughout the registration period. Failure to maintain the mandatory coverage may result in the suspension of your driver license and registration.

Important note: If you cancel the insurance for this vehicle, immediately return the license plate from this registration to a Florida driver license or tax collector office or by mail to: DHSMV, Return Tags, 2900 Apalachee Parkway, Tallahassee, FL 32399. Surrendering the plate will prevent your driving privilege from being suspended.

IMPORTANT INFORMATION

SECTION 328.48(4), Florida Statutes, requires that the certificate of registration of each vessel operated, used, or stored on the waters of this state shall be available for inspection on the vessel for which issued whenever such vessel is in operation.

Electronic titles, also called e-titles, are motor vehicle, mobile home, or vessel titles held in electronic form by the department. Electronic titles prove ownership of a motor vehicle, mobile home, or vessel the same way a paper title does. Electronically maintaining the title eliminates the risk of losing the title and eliminates having to pay a fee to obtain a duplicate. An electronic title is also an effective fraud deterrent because potential thieves will not have access to your title. For more information about electronic titles please visit your local tax collector office or visit our website at <https://www.flhsmv.gov/motor-vehicles-tags-titles/electronic-lien-titles/>.

Sold your vehicle, mobile home or vessel? For your own protection, you are required by law to transfer the title and notify the Department of Highway Safety and Motor Vehicles (DHSMV) within 30 days if you sell, donate or dispose of any motor vehicle or vessel. If you do not you could be legally responsible. Either go into a tax collector office or license plate agent with the new owner to transfer the title or go online to <https://www.flhsmv.gov/pdf/forms/82050.pdf> and download the Notice of Sale form. Fill it out, sign it and take it to the tax collector office or license plate agent for processing.
